

Everyone Has A Role at the Early Years Family Centres

Child role:

- Play - be respectful of all people and things
- Talk and act respectfully to: parents, other children and adults
- Be gentle and careful with play items
- Clean up items after use

Parent/Caregiver role:

- Play with your child
- Talk to your child about what they are doing - to build speech and vocabulary
- Help your child clean up and prepare the play space for the next family

Facilitator role:

- Provide age-appropriate developmental experiences
- Answer questions about child development, support programs and age-appropriate behaviours
- Observe play/change the play space to meet the needs of visiting children and families
