

## **Everyone Has A Role at the Early Years Family Centre**

### **Role of the Child**

- To play and engage respectfully within the space and with the others who are also using the centre.
- Speak and act respectfully to their parents and to other children and adults in the room.
- Treat the items available for play appropriately.
- Clean up the items after using them.

### **Role of the Parent/ Caregiver**

- To engage in play with their child.
- To speak to the child about what they are doing and therefore, enhancing their speech and vocabulary.
- Help the child clean up the items after using them and prepare the play space for the next family.

### **Role of the Facilitator**

- To provide age appropriate experiences for your child's development
- To answer questions parents may have about development, support programs and age appropriate behaviours.
- Observe the children and change/alter the play space to suit the needs of the families visiting.
